System Requirements

System Requirements

System requirements for e-GGRT are as follows:

- TLS 1.2 compatible browser
    - Firefox v53.0 (or above)
    - Chrome v52.0 (or above)
    - Microsoft Edge v88 (or above)
- JavaScript enabled in the browser
- Transport Security Layer (TLS) 1.0 enabled in the browser
- PDF reader (e.g., Adobe Reader)
- Access to a printer (for printing the Electronic Signature and Use Agreement, if necessary)
- Access to the Internet
- Access to your personal email account

e-GGRT performs a browser test and will display a warning page or message with instructions if you fail to meet the browser or JavaScript requirements.
