

Q243. If a single individual will be entering information for multiple facilities, can a single Electronic Signature Agreement be submitted to cover all facilities or will multiple Electronic Signature Agreements need to be submitted?

Q243. If a single individual will be entering information for multiple facilities, can a single Electronic Signature Agreement be submitted to cover all facilities or will multiple Electronic Signature Agreements need to be submitted?

A243. The Electronic Signature Agreement is associated with the individual, not a facility. An individual is required to submit only one Electronic Signature Agreement.
