

Q198. Does the person setting up have access to our facility data in e-GGRT?

Q198. Does the person setting up have access to our facility data in e-GGRT?

A198. No. A registrar who registers a facility will not have access to any facility data. A user must be a Designated Representative (DR), Alternate Designated Representative (ADR), or Agent in order to access facility data in e-GGRT.
