

Q188. Some reporters may have the Designated Representative (DR) and (ADR) at the plant, but a corporate employee will coordinate all the reporting. Can one employee be set up as an Agent for all plants?

Q188. Some reporters may have the Designated Representative (DR) and (ADR) at the plant, but a corporate employee will coordinate all the reporting. Can one employee be set up as an Agent for all plants?

A188. Yes, if the individual is identified as an Agent by the DR and/or ADR at each of those plants.
