

NAICS codes that have been discontinued

For Reporting Year 2022 some NAICS codes have been discontinued. In these cases facilities that used that NAICS code in RY2021 will have to select a new NAICS code for RY2022. The table below shows the 27 NAICS codes that are no longer valid and the number of facilities that used these codes last year. If you encounter the validation message below you should identify a current NAICS code for your facility use the search feature at <https://www.census.gov/naics/> to find the appropriate code.
